Discover unparalleled living in this innovative residence, thoughtfully designed to blend independence with community. Spanning five individual units, each features its own bedroom, kitchen, bathroom, and living/dining area. Newly constructed with exquisite attention to detail, this home sets a new standard for Supported Independent Living (SIL). It invites residents to come together in a beautiful common area, perfect for movie nights and social gatherings, or in the alfresco area and lush gardens. Shared on-site overnight support ensures peace of mind, prioritising safety and thoughtful use of NDIS budgets.

Positioned in a serene and friendly neighbourhood, the property benefits from its proximity to essential amenities. Located across the road from picturesque parks, it is just a short walk to the Elizabeth City centre and cinemas, offering plentiful entertainment options. Despite its quiet street setting, it remains well-connected, with convenient access to public transport.
